Platina Midi
ID : 23329
Input power : 20W LED Trim
Technical Description
K-Lite Ceiling-mounted recess down light. Beam angle 15° / 24° / 40°. Die-cast aluminium housing with heat sink for excellent thermal management. Anodized aluminium reflector. Polycarbonate optical lens. Protection class IP44. Powder coated white. Available colour temperature 2700K / 3000K / 4000K / 6500K, Colour rendering index (CRI)90. LED module with expected service life of at least 1,00,000 operating hours. Prewired with LED driver and suitable for operating on 240V, 50Hz single phase ac supply. Driver efficiency 88%, Power factor >0.95, THD<12%, Surge protection 3KV. Luminaire dimension : 105mm diameter x 120mm height. C.O.D : 96mm diameter. CE Certified. Inhouse NABL accredited lab.

Wattage: 20

CCT: 2700K,3000K,4000K,6500K

Optics: 15°,24°,40°

Mounting: Fixed,Adjustable

Finish: White
